NON-PROFIT ORGANIZATION REQUEST FOR WEB PAGE HOSTING

Select One:

Our organization wants RollaNet to create a basic home page, to be hosted on the RollaNet web site, from the information provided below. Our organization will receive one PUBLIC dial-up account and one email address at no charge. We will notify info@rollanet.org to update basic information. (Membership application required.)

Our organization wishes to be an Information Provider for RollaNet. We will create, design, and upload our own web pages, which will be hosted on the RollaNet web site. We will send the URL to info@rollanet.org when our web page is complete. Our organization will receive one PREFERRED dial-up account and one email address at no charge. (Membership application required.)

We would like to have a web page for our organization, to be hosted on the RollaNet web site at no charge. We do not wish to have a public or preferred membership at this time. We will deliver the information requested below, or the completed web page files, to RollaNet for uploading to the RollaNet web site. (No membership application required.)

Organization Name _____

Organization Address _____ Phone _____

Individual authorized to act for the organization _____

PROVIDE THE FOLLOWING INFORMATION IF ROLLANET IS CREATING A BASIC WEB PAGE

Mission Statement (purpose, goals, etc.) _____

Officers/Volunteers:

Services offered by your organization _____

How to make donations to your organization _____

How to become a volunteer for your organization _____

Please include any other information you would like on your basic web page on the reverse side of this form (hours of operation, national affiliation, etc.). If you have a logo you want to appear on your page, please leave a scanned image file or a high-quality printed copy of your logo and we will scan it for you.
